When you receive care from a dentist who participates in the Aetna® dental network, you pay less for your share of the dental expense because network dentists have agreed to accept the Aetna contracted rates. A network dentist will file your claim. You can search for Dental PPO network providers on [Aetna.com](https://www.aetna.com). When you use an out-of-network dentist, your coverage is subject to recognized charges. You may be responsible for filing claims when care is provided by an out-of-network dentist.

<sup>1</sup> A third cleaning will be covered for those who qualify due to certain medical conditions, such as pregnancy, diabetes or heart disease. Contact Aetna Member Services for details.

<sup>2</sup> Based on contracted rates.
